Mentor Feedback

Mentor Feedback

01

Overall Quality is Good

Our mentor thinks our project looks pretty solid overall. It meets the needs of AccuTech and is decent all around.

02

A Quick Logic Fix

Evan helped us catch an incorrectly formatted percentage in the frontend questionnaire. The percentage was not being multiplied by 100.

(E.g. 9.8% looked like 0.098%)

Client Feedback

Client Feedback

01

A Satisfied Customer

Our clients were pleased with the overall product – it checks all the boxes they wanted us to hit during our time working on the project.

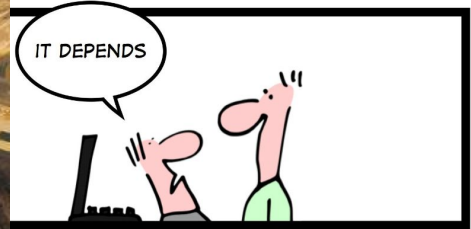

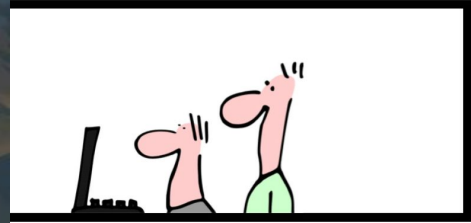

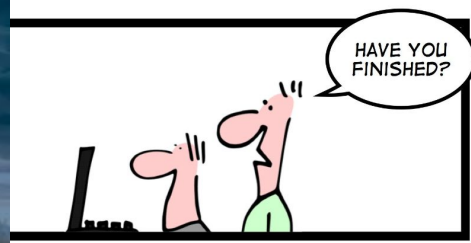

They are eager to build upon the foundation we laid and put our software into production!

02

Impressive Front-end Styling

Our clients were particularly surprised at the visual quality of our frontend questionnaire.
